Breaking down academic gaps:

We are especially concerned about closing opportunity gaps for students in historically underserved groups:

**How well is our school closing academic gaps for students in poverty?**

Does Not Meet Expectations: 33.33% (2 out of 6 possible points)

**How well is our school closing academic gaps for students of color?**

Meets Expectations: 76.85% (20.75 out of 27 possible points)

**Why does closing academic gaps matter for all students?**

In DPS, we believe in the potential of every child. We also believe that a great school is one that serves, challenges and supports all students well. By highlighting the academic growth and performance of specific student groups, we will all become more aware of the opportunities we have to help each student reach his or her full potential.

Each school’s overall SPF rating is affected by the school’s academic gaps rating. Schools must meet expectations in Academic Gaps in order to be eligible to receive our highest overall SPF ratings. If a school does not meet expectations in Academic Gaps, it cannot earn an overall SPF rating higher than yellow. We believe this approach will improve the quality of all schools in DPS, and ensure that Every Child Succeeds.
