Skinner Middle School
School Performance Framework 2019

OVERALL RATING: How is our school performing overall?

Accredited on Watch*

What does Accredited on Watch mean? School that demonstrates results in some areas and/or has several areas in need of improvement.

* A school can only receive DPS’ highest ratings of Distinguished (blue) or Meets Expectations (green) if it earns a blue or green rating on Academic Gaps, because of the importance we place on the academic success of our historically underserved students. Please see the next page to learn more about our Academic Gaps rating.

**WHY DOES CLOSING ACADEMIC GAPS MATTER FOR ALL STUDENTS?**
In DPS, we believe in the potential of every child. We also believe that a great school is one that serves, challenges and supports all students well. By highlighting the academic growth and performance of specific student groups, we will all become more aware of the opportunities we have to help each student reach his or her full potential.

Each school’s overall SPF rating is affected by the school’s academic gaps rating. Schools must meet expectations in Academic Gaps in order to be eligible to receive our highest overall SPF ratings. If a school does not meet expectations in Academic Gaps, it cannot earn an overall SPF rating higher than yellow. We believe this approach will improve the quality of all schools in DPS, and ensure that Every Child Succeeds.
