WHY DOES CLOSING ACADEMIC GAPS MATTER FOR ALL STUDENTS?

In DPS, we believe in the potential of every child. We also believe that a great school is one that serves, challenges and supports all students well. By highlighting the academic growth and performance of specific student groups, we will all become more aware of the opportunities we have to help each student reach his or her full potential.

Each school’s overall SPF rating is affected by the school’s academic gaps rating. Schools must meet expectations in Academic Gaps in order to be eligible to receive our highest overall SPF ratings. If a school does not meet expectations in Academic Gaps, it cannot earn an overall SPF rating higher than yellow. We believe this approach will improve the quality of all schools in DPS, and ensure that Every Child Succeeds.

Measure Indicators:
Every school is evaluated on the following indicators, which are different components of a great school.

Student Progress - Growth
This indicator looks at how much progress students are making on state assessments in grades K-12 from one year to the next.

Student Achievement - Status
This indicator looks at performance on state assessments.

Family and Student Engagement & Satisfaction
This indicator considers the school’s attendance rates and results from the school’s annual engagement surveys.

Academic Gaps
This indicator looks at performance and growth of historically underserved student groups, including English language learners, students with disabilities, students in poverty and students of color.
